3rd December 2021

Dear Parents/Carers,

We will be moving ahead as planned next week with our Christmas productions. We do ask that all attendees follow these safety measures in order to reduce the risk of infection:

- Please do not attend if you, or any of your party, are showing any symptoms of COVID-19 namely, a temperature, cough or loss of taste or smell.
- Only attendees who have informed us that they will be attending will be permitted entry.
- We ask that all attendees take a Lateral Flow Device (LFD) test on the morning of the production.
- All attendees will have their temperature taken on arrival.
- We request that all attendees wear a face covering on arrival and throughout the production.
- We will be spacing chairs to allow for social distancing. Please do not move chairs without first speaking with a member of staff.

We will ensure that the hall is appropriately ventilated throughout the production, which will include the opening of external doors, so please ensure you wear warm clothing.

Parents/carers attending the Key Stage 4/6th Form service at Newington Free Church should ensure they socially distance within church and again wear masks throughout the service. As above, parents/carers must not attend if they are showing any symptoms of the virus.

We hope that you understand these measures have been implemented in order to allow the events to go ahead. However, should we have an increase in infections or guidance changes unfortunately, we may have to make changes to arrangements including postponing productions.

Please contact your child's class teacher should you have any questions regarding these arrangements.

Yours sincerely

Adrian Mount
Headteacher
