

What's Next?

A handbook for d/Deaf or
Hearing-Impaired pupils and
their families

September 1, 2021

Produced by Andrea Kite (QToD) for pupils and their families
at Foreland Fields School

This handbook was designed to support deaf and hearing-impaired pupils and their families, to give clear details of what clubs, groups and other facilities are available in the local area, outside of school and for the future when school is finished.

With thanks to all that have given permission and contributed to the making of this handbook

After school activities

★ Art4All

A privately run art studio based in Acol. Very experienced qualified art tutor, who uses British sign language.

Contact: Sandra

sahampton32@hotmail.com

07528755431

★ Foreland Fields school – after school activities

Run on a weekly basis during term time. Information about these clubs will be sent out to parents.

For further information on clubs please speak to Sharon Bremner FLO.

★ Inspiration Creative

An inclusive theatre/arts company (based in St. Peter's in Thanet and Newington, Ramsgate), building participants' skills in theatre performance, sing-and-sign, art and dance, working inclusively and collaborating as a 'multi-abled' group. All workshops include British Sign Language as do all performances. Environments and workshops are all totally accessible

Contact: Zoe & Peter

inspiration-inc@hotmail.co.uk

07792 684227

What about the weekends?

★ Deaf Friends Book Club

A *Books Beyond Words* Book Club for the d/Deaf and those who are interested in signing.

A weekly Saturday morning Book Club giving an opportunity for Deaf people to get together, have a cup of tea and chat and share a chosen book. The book club will also be hosting people in the community, who will visit to give talks. Such as a Disability Nurse to back up some of the books we have shared about health and mental health. Restarting on Saturday 28th August 2021, 11am at Changing Minds, 64 Westgate Bay Avenue, Westgate, Kent.

Contact Stephanie

Email: Stephaniepark20@gmail.com

★ Liz Mincer

Interprets at church service - at the moment it's Holy Trinity Cliftonville but is willing to travel to other churches that Deaf people are interested in attending.

Liz is rooted in the Deaf Community and knows everything that is going on. Liz is very generous with her time and committed to the Deaf community.

Contact Liz via Facebook.

★ Omnibus project

The Omnibus Project offers a range of services which support parents, carers and their extended families engage children and young people,

through the use of a variety of different creative and enjoyable sessions, to develop their communication, social, interaction, attention and engagement skills.

Groups include sensory sessions, messy play, signing (Makaton), interactive story-telling, training and arts and crafts to name but a few. Offer also includes bespoke sessions which cater directly around need, classes for adults to learn how to create own games and visual resources for use at home, learn Makaton sign language and a club for siblings who may need some time away from the stresses and strains of everyday life

★ **NDCS (National Deaf Children's society)**

The National Deaf Children's Society are available to help all families and professionals supporting a deaf or hearing impaired child. They offer a range of opportunities, clubs, in-person and residential events for young people. (Please note that currently some of these are not running due to Covid.) Current offers include;

Buzz website: this is the only website for deaf young people in the UK. It's exclusively for them, and is a place where they can safely connect, learn and share: <https://buzz.org.uk/>

Online events: NDCS run a number of events for deaf children and young people, including cooking workshops, careers information, family events, toddler sessions. For further information please take a look at the events page and have a browse, (bearing in mind that it changes all the time). There are sections for parents/carers as well as for deaf children and young people: <https://www.ndcs.org.uk/our-services/our-events/>

Your Community: this is one for the parents and carers. It's an online forum where parents can ask questions and support each other,
<https://www.ndcs.org.uk/your-community>

NDCS can be contacted for support and information on any aspect of raising a deaf child:

What about when I leave school?

★ Achieve together

This organisation has over 25 years of expertise in supporting people with Hearing Impairment, complex needs, autism spectrum conditions, behaviours which may challenge, mental health conditions, profound and multiple learning disabilities and associated complex health needs.

They have several supported living/ residential accommodations based in Westgate-On-Sea and a day service provision as described below;

St Christopher's

Supporting men and women, aged 18 and over, who are deaf or have hearing loss and additional support needs such as learning disabilities. We provide housing-related support to enable people to live as independently as possible in a safe and homely environment.

Dane End

A specialist care home providing 24-hour care and support to five people aged 18 and over who are deaf or have hearing loss and have a range of diverse additional support needs including autism, epilepsy, learning difficulties, sight loss and mental ill-health.

Chapel Flats

A specialist supported housing service, supporting men and women, aged 18 and over, who are deaf or have hearing loss and have additional support needs. People are enabled to live as independently as possible in a safe and happy environment, including supporting them to go to college, find a job, stay fit and healthy and provide support with benefits and managing money.

St Gabriel's

A specialist care home which provides 24-hour care and support to eight people aged 18 and over who are deaf or have hearing loss. The people we support have a wide range of additional support needs

Westcliffe House

A specialist care home providing 24-hour care and support to 13 men and women aged 18 and over who are deaf, deafblind or have hearing loss and have a range of additional, and sometimes complex, needs including learning disabilities, mental ill-health, autistic spectrum disorders, behaviour that can be described as challenging, and medical needs including specialised diets.

St Gabriel's Day Services

Provides a range of activities for men and women aged 18 and over who are deaf, deafblind or have a hearing loss, and additional needs. The day centre is based on the ground floor of one of the care homes and provides opportunities for the people who live there as well as others in the community. The open and inclusive environments offer a wide range of activities to suit everyone. Highly trained and experienced staff will support people to develop new skills and try out completely new activities they may never have considered before, helping people to enjoy and express themselves, be creative and feel part of a community.

Activities include:

- ❖ Art
- ❖ Games
- ❖ Cooking
- ❖ Use of our cinema lounge

- ❖ Outdoor activities such as gardening and road safety
- ❖ Swimming
- ❖ Take part in community activities such as going to the gym, volunteering and more.

Contact Achieve together (Formally RNID)

★ Broadstairs college

The college offer a range of courses that are based within their supported learning department (as detailed below). The aim is to ensure your young person gets the best education and the right support to continue their progression

Discovery

This course is to enable students to develop independent living skills and to prepare them for adulthood.

Explore

The curriculum will be delivered from our specialist facilities, which include a Sensory and Intensive Interaction room. This is a multi-sensory curriculum which includes sensology, Tacpac, intensive interaction, and sensory story massage. The students access the local community as a resource to develop social skills.

LEAP

The course includes preparation for work, independent living skills and teaching to improve maths and English Students will undertake a work experience placement one day per week

Learning for Life

This course is to enable students to develop their independent living skills and to prepare them for adulthood. As well as building confidence and improving social skills, students will be working to improve their maths and English skills.

Skills for Work

This course is to introduce students to the world of work, to increase confidence and social skills, as well as improve their maths and English. The course will be accredited and students will gain an Entry 2 Certificate in Progression into Employment.

Step into Work

The focus of this course is to prepare students for employment, increasing their confidence and social skills, as well as improving their maths and English. The course will be accredited and students will gain an Entry 3 Certificate in Progression into Employment.

Support available for those who are Deaf or have a Hearing Loss:

- ❖ Teacher of the Deaf,
- ❖ Communication Support Worker
- ❖ Note-taker
- ❖ Tutorials
- ❖ Adaptations of materials
- ❖ Technical aids - loop, radio aid, Hearing Aid batteries
- ❖ Exam access arrangements – signer, extra time, direct and indirect support
- ❖ British Sign Language tuition
- ❖ Portable hearing loop to assist with hearing impairments

The full list of support offered by the college can be found using the following link; <https://www.ekcgroup.ac.uk/sites/default/files/Accessibility-Statement-Updated-March-21.pdf>

★ Margate Adult Education Centre

Margate Adult Education offers everyday English and Maths classes for adults with additional learning needs and hearing impaired learners. They provide classes ranging from Entry level 1 up to Entry level 3 through to GCSE level in both English and Maths.

The courses run usually for 3 hours with a break in between and are run by a tutor and teaching assistant and a signer if required. They tailor the provision to meet the learning aim of each student and encourage them to take pride in their work and achievements. The courses run throughout the academic year but they also offer an ongoing enrolment process. The courses are free and run at different days and times depending on what level the learner is assessed at.
