JOINING US AT THE
GLEBE IN CANTERBURY?**

The Glebe has been developed and managed by L'Arche Kent to provide an outdoor and indoor activity space, offering horticultural activities, willow work and other related art and craft activities within regular funded supported sessions. We also produce a range of products and produce for sale.

We provide high quality, personalised support, ensuring meaningful engagement through our ratio of assistants to participants and the active involvement of volunteers.

The Glebe is a mini oasis of tranquillity in a busy city and brings the countryside into the heart of our community.

Its city centre location makes it accessible by foot, cycle and public transport.

Funding may be through Local Authority, Direct Payments or Self-funding.
